¹ No Short Access Codes available for Inmarsat A service in POR for LES Access Code 04.

² The mobile-to-fixed (M2F) rate is the same rate as a standard M2F call to band a. There is no extra fee for use of this short code.

³ Bnr means the called number.

⁴ Reverse charging means that the receiver pays for the cost of the call while the call is free-of-charge to the mobile user.
